"My husband runs a small property building firm. I do the personal admin and recruiting. I like to put the new men through their paces, and if I think they can handle my tight pussy, then I will make sure that I get some ock in there as well. I think my husband knows that I do give the young guys my personal touch, but he doesn't mind, as it never fails to keep the guys from turning up and finishing the job. One time I double booked two interviews, so I ended up having to suck one guy off, whilst the other probed me with his manhood, grinding away until I had cumming running down both the inside of my legs."

ELAINE CURTAIL

LEXI LEWIS

Lexi Lewis indulges in her husband's kinky demands in the bedroom.

L"I've been married for just over a year now and I'm pleased to say that my husband and I have a very healthy sex life. We like to keep things fresh, so we live by one simple rule and that is that we will always try something at least once. I might look like a pervert, which I suppose I am, but I'm nothing compared to my husband. He's always asking me to do kinky things and his favourite sexual act is to wank over my naked

cont...

body and come all over my flesh. Once he's sprayed his sticky load over me, he likes to watch me rub it into my skin and then demands that I lick his fingers clean of cum. I love the taste of his juice, and I think it's very erotic watching my husband pleasuring himself, even if it is a bit on the messy side. He's always telling me that he thinks I'm sexy and he told me that gets off on the idea of other men fancying me and wanking over me just like he does. I take my marriage very seriously and I would never allow another man to touch me, let alone come all over me, so I think getting my kit and having my photos taken for other men to wank over is the next best thing. Posing was really good fun and the photographer made me feel really special. I would definitely do it again and maybe if things go well for me I could take it up as a full time job. I've heard the money is really good!"

FUCK MY SHAVEN PUSSY HARD!

Cassandra is a stay at home wife who spends her whole day looking after the house, something she's starting to get very bored of! She got in contact with us and explained how lonely she was and that she was hoping you guys could help to solve her problem.

"I agreed with my husband that I would stay at home to look after everything while he went out to work; besides, I'm not exactly the brightest tool in the box so I wouldn't be able to get a job anyway. At first I thought I had the better part of the deal, but now I'm regretting the decision because I'm just getting so bored and lonely. I'm desperately in need of some company

CASSANDRA FOX

cont...

because I'm rattling around in the big house with nothing but two dogs and a cat for company. There's only so much housework I can occupy my time with and what I really need is a reward half way through the day to keep me motivated. I'm thinking that a hot naked man in between my legs would be just the thing I need. It's not going to be a problem for me because my husband is always away on business and he leaves me with a list of where he's going to be and when he's going to be there. So basically I know when to invite men over and how long they can stay to fuck this lonely housewife you see before your eyes. I'm not going to feel guilty about this because when my husband is around he's either too tired or he can't be bothered to show me any kind of attention. I've become a very good cook in my time as his wife, and I'll happily cook you a nice bacon butty, then let you eat out my dripping pussy for seconds!!!"

“I was so excited when I got the call saying I was chosen to be photographed by the photographer and the £200 was an extra bonus. The shoot was amazing and the photographer was very complimentary about my body. I felt so confident that when I got home I dressed as a teacher and had a spanking session with my husband. This is something I would never have done before. I have realised the kinky sex kitten inside of me and I am going to try all kinds of new things in bed, my husband just can't wait.”

"I really love it when my boyfriend touches and kisses me all over. I get goosebumps all over! I've even come before from him just touching my skin sensually! I am a very lucky girl to be able to orgasm so easily!"

"I only see my boyfriend on weekends, as he lives quite a few miles away from me. I regularly send him photographs of myself naked to keep him going during the week until we meet up again at the weekend! By the time I see him on a Friday night, he's ready to explode; usually our first sex session isn't that long! We're both so horny and desperate for each other, that it only takes us both a couple of mintues!"

CHESEA MAN

"My husband and I met on a wet camp site after my mates tent got blown away by the bad weather. The weather beat our tent to bits and eventually flew into the brush. It was about ten o'clock, too late to drive in the bad light and weather so we grabbed what we could and raced over to a tent we had noticed in the morning – mainly because I must have had two nice guys inside it; one of them was to become my husband! I think looked like a drowned rat, but we barged our way inside with big smiles on, I think that at first they were going to throw us out, but I did notice that my husband-to-be was staring at my nipples that had prodded their way through my T-shirt. We chatted for a while and shared some hot tea before we all turned in for the night. I wasn't a shy girl and dived inside my husband-to-be's sleeping sack and zipped us both in. I immediately felt his hard-on probing my wet knickers; I have never felt so naughty in my life, or so horny being that close to guy I had never met who was jamming his cock against my wet knickers. Neither I or his mate and mine got any sleep that night; we just giggled and fumbled with each other all night long. I married my camper romantic boyfriend five years later and have been looking my sluttiest in my pictures. Whenever we get a long weekend together we go off camping to relive the magic that brought us together, but this time I strip to my birthday suit and I let him slip his eager cock inside me."

Heidi and her husband, Mike, have been married for three years now and have never been happier! They are looking to spice up their sex lives a bit, which is why we've got these smoking hot pictures of Heidi!

"First thing's first, Heidi is great in the sack. I've never been with a woman so passionate, sexy and

HEIDI HARPER

cont...

flexible before! She knows what she likes, so is quite demanding in the bedroom, but I love being dominated by her! She's so small, so it's surprising and such a turn on to see her that way! Recently, she's been demanding that we get another person into bed with us, to mix things up a little bit. It's so rare to find a woman that actually wants to have a threesome, so I've got to jump at this chance while she wants it! We would both ideally like another woman to join us, but I think she might quite like to be ploughed by two men at the same time! If you like the look of my sexy wife, get in touch!"

LISA PERKINS

Lisa from London is a new model that has been coaxed into modelling by her husband. You can see why he got his camera out for this hot and perky-titted wife.

"I know my husband took photos of models before we married but I never felt jealous or the need to prove myself up against the lovely girls he took pictures of, but I never thought that I would be in front of Ray's own work camera; but he convinced me give it a try. I loved the results, I felt so sexy the first time I was stripped, we both ended up fucking in no time at all, but I'm a bit more professional; I now wait until his job is done taking the photos, and then I get straight on to my job...or should I say blow job."

CHRISTINE JA

We would like to say a massive thank you to Michael for sending these pictures of his sexy wife Christine.

"Christine is such a horny wife and enjoys everything sexual. She's even said that she'd like to make a porn movie with me for my birthday. I can't wait; she turns me on so much that we shag every night. We go like rabbits until we can hardly breathe. She has an amazing body and a sweet tasting pussy. I feel so lucky to have Christine and I wanted to share her with you all. I hope you like what you see."

KATE BROWN

Brown-haired temptress Kate Brown from Blackpool loves the lights on the sea front; but she would rather put on a red light for her husband and swallow his cock for the evening.

"I didn't think I was the dirty girl kind, until I met my husband that is. I was rather straight-laced and liked to be treated with respect. But after falling head over heels for my John I discovered that he liked to watch and read porn a lot. At first I wasn't very happy with it all, but watching people fuck and suck and cum on each other began to make my pussy wet more than I thought was even possible. Once we were married, and had a place of our own, I made a decision to be a lot more slutty and daring in our love making. Now, I dress up in knickers and a bra and some filthy knee high boots and dominate my

cont...

husband around the bedroom. He can't believe how the timid girl he married has turned into a Mistress of filthy desire. I make sure that he tongues my pussy and bottom; it makes me cum every time, before I let his cock loose on my pussy and mouth. Now I'm the naughty girl who makes sure she has her fun first. I may have a pussy, but I definitely wear the trousers in our relationship - my John loves being bossed around, as I'm sure you readers do as well. Cum and give your cock a spank for me and tell me how hard you'd like to fuck me now!!"

Adult DVD Reviews

FAMILY AFFAIRS VOL.2

Everybody has a secret, it's just some a bit naughtier than others! Take the quiet land lord for instance, everyone thinks he's running his business all above board, wrong! He's fucking one of the young ladies living in one of his rented apartments. What about the doting husband who can't put a foot wrong in his wife's eyes. Wrong again, she must be blind because he's fucking her best mate and she'll do things his wife won't, like taking it up the arse! There's so much more, but you'll have to watch the DVD to find out... Running time 145 mins.

FAMILY AFFAIRS VOL.2

This family has got more issues than the Mansons! The Cheating house wife spends all day craving cock while the Sister in-law can't stop fantasising about young pussy! Innocence is lost forever and virginity is taken! It doesn't end there... The MILF boss seduces her apprentice hottie and elsewhere the daughter gets burgled to fuck! And finally to prove he's equally disturbed the brother steals a nympho girlfriend! Running Time 124 mins.

COCK HUNGRY HOUSEWIVES

Here's the scene... Two guys accidentally break a window with a ball, they go to retrieve it and what do they find? A mature slapper with a 'come and fuck me' outfit on. The boys can't pay for the damage so as compensation she demands some cock instead. She sucks their dicks as if her life depended upon it and then demands to be double-penetrated. If you haven't drained your balls by the end of this scene there's another 3 stories left to unfold packed with cock hungry housewives. Running Time 120 mins

RACK RIDERS

Their front bumpers are big, soft and fleshy, so whip out your cock and get ready for the smoothest, most XXXciting ride of your life! Shot from your POV! You're in the driver's seat as six stacked naturals use their mouths, pussies and racks to get you to your final destination: Orgasm City! Starring Brandy Taylor, Jolie Rain, Whitney Stevens, Cassandra Calogera, Jasmine Black and Terry Nova. Running Time 109 mins.

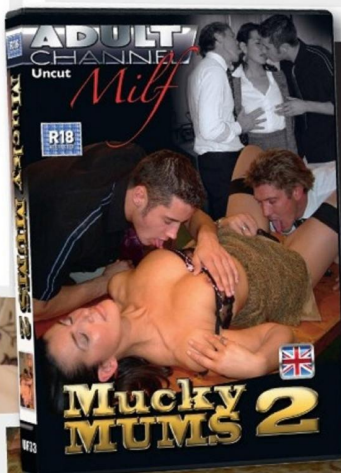

STACKED STREET SLUTS

Why waste all your time chasing big-titted birds around town when all you have to do is throw a wad of cash at these busty slags and they'll let you blow your wad all over them? It's simple supply and demand: You supply the dough and demand that these five hootered hookers drain your cock. It's a win-win. Starring newcomer Dominno, Terry Nova, Cassandra, Candance Von & Whitney Stevens. Running Time 86 mins.

MUCKY MUMS 2

A titillating British-made gonzo treat with a little bit of everything. The film starts off with dirt bag Wendy Taylor having her well used cunt and arse stuffed balls deep. Then we find ourselves enjoying a husband double dipping his cock in his wife and their new best friend! If it's lesbian pussy pounding you're after there's plenty of that too with some MILF on teen fucking and a three-way pussy licking daisy chain porn feast! Running Time 101 mins.

Carla

"I've been married for a few years now, but things have started to go downhill in the bedroom. We just don't seem to be into each other as much as we used to be. It's quite frustrating as I have a really high sex drive. My husband just seems to not be interested anymore! I've slept with a few guys recently, but they haven't been able to satisfy me as much as I would like! I am in desperate need of a real man with a huge cock!"

Fiona Cooper, PO Box 16, Halifax, West Yorks, HX1 1EU, England.

I am a little impatient when it comes to sex as I do like it quite often, my frustration can build up to a bit of a temper. I think the best thing is I have is my young looks and the school uniform outfit I wear, which always gets a good response from the men I have slept with behind my husbands back. But I think he is starting to suspect something, and some of his mates are a little unreliable - at keeping their mouths shut. So I am sending in some sexy pictures of myself and showing off the goods for some guys who are not local to my area of Hampshire. I am able to travel and I can stay over at least one weekend out of the month so you can get some long rough sex that'll make you cock red raw. If this makes you hard to the touch and horny as hell, then give drop me a letter and I will be happy to start with some phone sex and then move quickly to the real thing. Just give me a try and I'm sure I can make you a happy and well fucked man!

Sierra from Oxford loves tricking the local lads in to thinking that they are fucking a woman in her 20s. "I'm surprised that they always full for it. To tell the truth, most of them are turned on even more when they find out that I'm really in my 30s. I look after myself so I don't look my age and I'm dreading the day when the years catch up with me. I'm getting so much hot, young sex at the moment, that I'd be devastated if it all dried up."

“With every man I've been out with in the past, they have always told me how amazing and bouncy my breasts are and that I have the sweetest tasting pussy. I thought with all these amazing compliments from men, that it would only be fair if I were to show you my entire great figure. My husband believes he is the luckiest man as he gets to shag me every night and sometimes I'll surprise him out the blue and give him some well-deserved pleasure. Even if we're just sitting on the sofa watching TV, I'll lean over and give his a very passionate kiss, which leads into full-blown sex. On the odd occasion, I'll forget the kissing and just plunge my pussy straight onto his throbbing cock. That way he explodes in me within a couple of minutes.”

Granny sex in all its glory and filth is in extremely high demand by young and older guys - my name is Beth and I'd love to explain why I enjoy being on a adult chat sex line every day having orgasm after orgasm and making ordinary guys w*nk off over their phone - I even have a 100% cum rate on all my callers so try as you may you will be unloading and letting go of all that frustration and sense of total relief that you will find you just cannot do without.
